BONK
Hayate ?
I stayed up all night to finish my paper
I'm dead tired
YAWWN
Like where they make wake-up pills and all ?
Say doesn't your father work for a pharmaceutical company ?
Don't be an idiot!
My old man isn't the one who writes prescriptions
DAMN !
Why you_!
Don't hold out on me!
Come on!
Come on!
Come on!

If you want them so badly,
I could always try and get you some from someone else
FLASH
Hey! Oosato!
Just what did you take a picture of??
I get ya every time! ♡

It's NOT all MY fault, ya know !
HMPH
DON'T MAKE SHADY TRADES !!!
Because of you, there's a crazy rumour about Kusanagi and me!!!
Are you going to sell those pictures again??
Is that bad?
Perhaps doing something like this is also the cause for those rumours, no?
PUBLIC DISPLAY OF LOVE
CLAP

Ooh! As usual, Kusanagi is being bold!

BLA

WHOHOO!

OH!
Kusanagi you JERK !
Well Hayate, it's what people think
We're graduating in a year, aren't we? So the rumours will only last until then
Why not make this boring period of our lives a bit more fun?
ROAR
Too bad!
IS THIS WHAT YOU CALL "FUN", YOU IDIOT ?!?!
Hey you two! You're invited to the student council's sponsored meeting "Let's call UFOs"!

It'd be nice to hold a party to celebrate the end of the Midterms but I didn't know how to make it exciting so I asked myself "what to do?" and I started to become very nervous..
Saaaa... Thank you! Thank you!
Of course it's because you're very popular!
You can even gather up all the girls you have your sights on!
Well, if you two were to participate, it would help us a lot!
Are you going to do us this favour ?
Huh? Huh?
What are we? Live bait !!!
TATSUMI !!
Big... Big brother ...
HEY! Look where you're going !
Aah!
BUMP!

WHAT ARE YOU DOING IN A PLACE LIKE THIS ?!?!
A... a friend invited me
tremble
But... big brother
Did you call home to tell mom and dad?
I'm old enough to take care of myself!

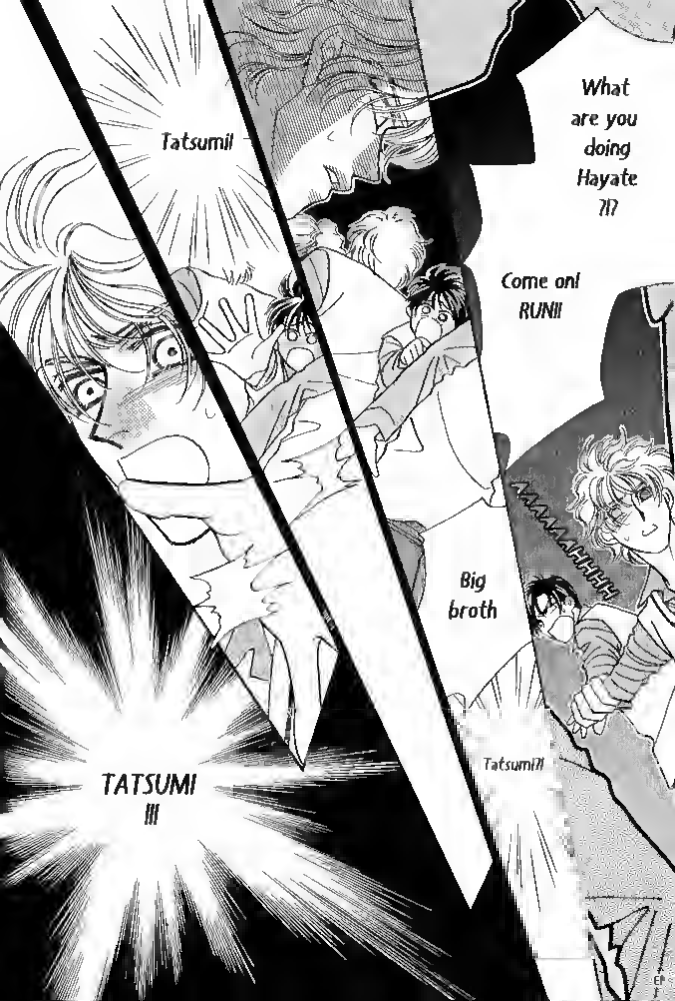
A long time ago...
SMILE
Say, who is it you're comparing here, huh?
Aaah, it's said
You're overprotective, as usual. You're acting like a big brother when Tatsumi is already 15 years old...
He's being an idiot just like a "certain" someone!
I got into a stupid fight with him and I hit him pretty hard
Since then, he hasn't been able to look me in the eye. He's always afraid.
I feel soooo unloved!
SHUT UP!!
#A HA
You're no thing but a damned nuisance !
You're not really honest, you know? Since you worry sooooo much about Tatsumi, why not be nicer to him?

While holding hands...
focus your mind
and pray for a UFO to appear
Well, if everyone would please gather up
This is boring! I may have agreed to participate but I'd rather be home sleeping...
Whoa! Is everyone really doing it?

FLASH
?!
It must be that pest of Ousaka again!
...It can't be!
UFO ?!

whoohoo!
It really came!!
What do you mean how did it happen?!
How did that happen?
ha ha ha ha
It came!
COOL!
It's a success!!
Is this for real?!
cool!
It looks like it's coming closer
Is it me or it's getting bigger?
Is it really going to land ?
no it can't
I would say it's falling more than landing
Speaking of which, it's moving funny

IT'S GOING TO CRASH !!
REALLY ?!



Tatsumi!
What are you doing Hayate ?!?
Come on! RUN!!
AAAAAHHHH
Big broth
Tatsumi?!
TATSUMI !!!

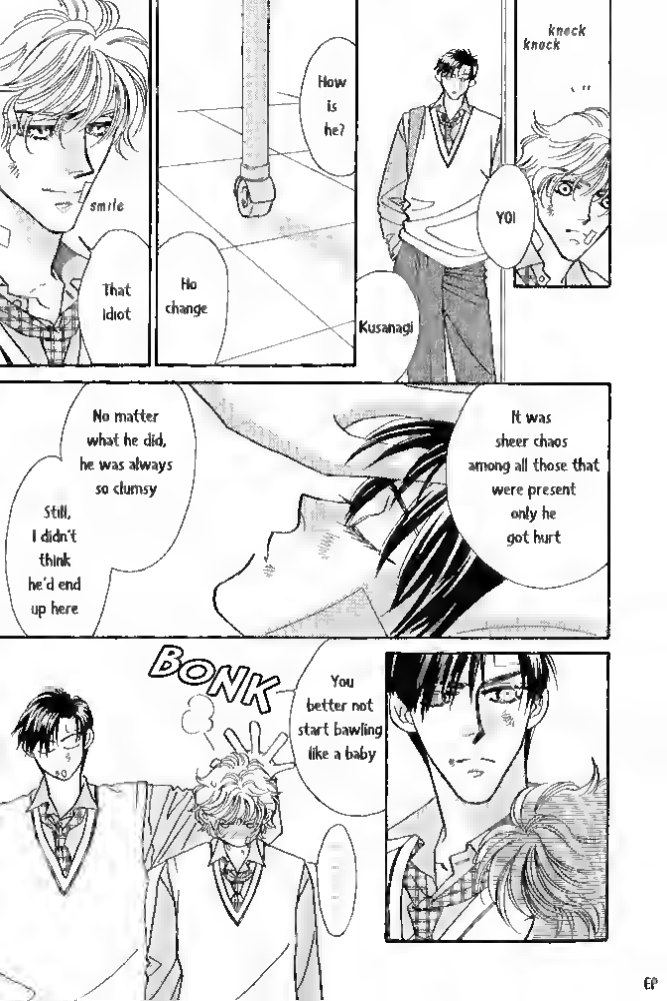
Tatsumi Haitani
Can you still dreaming?

That day,
the UFO appeared
and we got caught
in its crash
As a consequence,
Tatsumi has been in a coma
for a week
Big broth
If we had stayed together,
it would have been fine
If I had known...
Tatsumi



smile
That idiot
No change
How is he?
knock knock
YO!
Kusanagi
It was sheer chaos among all those that were present only he got hurt
No matter what he did, he was always so clumsy
Still, I didn't think he'd end up here
BONK
You better not start bawling like a baby

Hm..
?!
Tatsumi ?!
Tatsumi!

Tatsumi, can you hear me ?
hey, he's got a strange look on his face
WHAT?!
FFLUUUUMP
AAH!
tremble
.....
Tatsumi ?
Yuu, it can't be ...

AMNESIA?!
Yes, but he didn't forget everything
He only forgot who he is and how to speak Japanese, that's all
UFO ?
It's because he got involved with an important person after the UFO incident
Sullivan sensei's mood...
Really ??

Listen to what you're saying! You most probably dreamed it!
No really! The one that crashed the other day!
Huh?
Listen, I think it's really sad that Tatsumi fell from that cliff and became amnesic as a result
but you shouldn't blame it on some dumb UFO!

RATTLE
What was THAT all about!?
Everyone who went to that meeting ...
what do they mean by "We didn't see a UFO"!!
If you had paid more attention, you would have realized that there was no news coverage of this
Then does it mean that you and I dreamed it all!?

When it comes to aliens, there's always a big cover up
That's science -fiction
The X-Files, Men in Black, Dark Skies.....
Huh?
Is that what you think?
Errrr...
.....
Anyway, no matter what happens
I'll take my responsibilities and protect you

The only thing I need protection from is YOU...
For the moment, don't murder anyone.
Don't worry, Kusanagi!
About what?
That's NO reason to punch me!!
Tatsumi has been sent home to recuperate since all of his external injuries are healed and he regained consciousness
Stop calling me Haya-chan!
Yeah, yeah
Haya-chan, call Tacchan so we can eat dinner, will you?

Tatsumi?
Are you there?
silence-
His memory still hasn't come back though ...
Tatsumi! Supper time!
Tatsumi...?

AAAAH!!
WHA?!
What are you doing there?
What was that just now?!
How did fir appear out of nowhere?!
SLAP
SLAP
SLAP
Hot! Hot!
Here... where?
Want go home...

So is that all? it's Tatsumi's body but on the day the UFO crashed, an alien's soul took over it
And "Sari" is its name
I AM BEING TRUTHFULL!
You don't believe me! If you would only listen to his story you'd see that he's not normal!
So you got scared and called me, right?
grin

There there
PAT
PAT
It's ok, Hayate -chan
I will grant you my protection
He's treating me like a complete idiot!
Was I... Was I wrong to do that?
I didn't have a choice since you're the only one who didn't forget about the UFO
An alien, huh? Well I can't really tell just by looking at him like this
STARE
.....
He seems to sorta have pyrokinetic powers
YOU COULD HAVE TOLD ME SOONER!!
HAHAHA
WHOOSH
FIZZLE
FIZZLE
FIZZLE
Aah! Be careful! If you don't watch out...

Isn't he lucky?!
HIDE
.....
Don't say that!!
Don't even think of hitting him!
No doubt he's a fake!
hmph
Well it's not the real Tatsumi so I can't let him get away with this
A clone or copy or something
This is becoming weird...
Well
He has Tatsumi's appearance so we can't really throw him out
What are we going to do with him?

It's really becoming weird
I wish I knew what to do
CREAK
CREAK
Sari?

GAH!
SLAM
HEY!!
Alone . . . scared!

!
Huh
Aren't you scared of me!?
...It's so ironic...
The Tatsumi from before was always scared of me...
But this Tatsumi clings on to me...

The irony of it all is too funny...
ha
HA
?
hahaha
If it had been like this, it would have been perfect
because he was my only little brother...

GET UP!!!
?
?

I decided that I can't keep thinking about how you used to be!
I'm still in shock but inside your body, there is a real alien!
Therefore, I'm going to train you so you can become a magnificent Tatsumi Kaiya!
SHOCK
GET READY!

smile
BADUMP
BADUMP
He... he scared me! Can aliens really smile like that??
?
?
During the lesson...
Don't do that!
?
?
Again during the lesson...
CHOMP
That's NOT food!!!
KISS!

This? Well, he's aloof with everyone except me so I guess it's normal
Your relationship with your brother has been pretty good recently
Don't you think you're spoiling him?
poke poke
Ah! If you do that kind of stuff
See?
Fizzle
Fizzle
WHOOOSH

That person scary
It's ok, he's my friend. You don't need to be scared
If you stay like this, you won't make friends. That doesn't sound very good, right?
No! Scary!
Whaaaat?!
HAHA
Is ok. If Hayate is here, is ok!

BA BUMP
What should I do if my heart goes "babump" for my little brother?!?!
HA!
?
Wha- wha what was that "babump" for?!?!
.....

Hmm?
Hayate
If you worry too much about your little brother, how will he become independent?
Do you have to imitate me? It's embarrassing!
Kyyaa!
What are you guys doing?
and Kaiya-senpai!
Kyyaa! It's Kusanagi-senpaai!
Is not listening
Don't make a mistake Sari!
I think the current situation is much more embarrassing
Are you alright now?
Origin of his Worry

EARLIER "THAT" MORNING
Will you be alright? When you meet friends, you have to say "Good morning"
Ok
Here, let me fix your tie
YES
YES
YES
YES
YES
Your schedule?
Got it!
Your wallet?
Do you have your handkerchief?
Your student card?
Tatsumi's long absence from school will surely cause a lot of talk
Hayate...

The one standing next to Tatsumi!!
What?
Who's that??
Ah!
This is Kaiya. He was resting while you were transferred here
I'll introduce you
Pleased to meet you. I am Kouenji

What I want is to go back to my home!!!

Yesterday, we went to that place.
But there was nothing left of the UFO... It probably burned down. There was only a hole...
Sari...
That way, the link connecting everything together was definitely cut...

HMM...?

Maybe but I'll never forgive what he did!
Good morning Tatsumi!
TURN
Shut up! I'm the same as usual!
HMM?
What is it? You seem much angrier than before, brother
Ah...

IGNORE
WALKS BY
GRAB
Huh?
Why don't you and Kusanagi mind being gay???
Because of that, I lost my best friend! Take responsibility for your actions!!!

Upperclass man Kusanagi!
Could we have a moment?
Kusanagi is such a popular guy!
Shut up!
HEHEHE
GRR
They're first year girl(s)
Yes?
We have something we'd like to discuss with you
OK
A love confession maybe?
Hey!
Well, let's go outside then
It can't be! He doesn't usually agree!
Yes!

Did he refuse?
Good!
Oh?
POW
Crap! They're speaking too low I can't hear a thing!
Hm?
Why did I say "Good"?
?
?
GASP
Well then? How long you plan on hiding?
I can see you you know
EP

TURN
It's my business!
That... that's right but...
Why? Why did you turn her down? It would have been alright, you know!
Don't act like a nice kid
It almost seems like you're happy I turned her down
Why... Why would I???

Did you think about me every day?
!
Don't... Don't be so conceited!
After all, you came here to see me.
Weren't you worried?
It sure looks like it!
MAHAHAHA
It... it sure looks like it?
Kusanagi... you jerk...
PRETENDS TO BE CLUELESS
DID YOU IGNORE ME ON PURPOSE?!

It, it has nothing to do with that!
I didn't think that the direct effect would be you dropping to the 40th place in the ability test
He... He snorted!
SNORT
You can't really deny it, can you?
GRAB
It doesn't seem like you'll ever accept me. You don't pay attention to me. I can't help but feel lonely
You're the lowest

PULL
What?! Aren't you the one being low here?
I don't know since when you've loved me but
You've been patient up until now! Can't you just go on being patient like that?
What's this absurd logic?
Shut up! Wimp! Lowly bastard!
I'm breaking up with you right here, right now!

Hmph
No breaking up would mean WE WERE together
RUNNING AWAY
HAHAHA!
HAHAHA! HAHAHAHA!
Ohhh! You're both being stupid and it's going to cost you in the end
DO YOU GET IT?

Master Takashi?
That was fast
I have brought what you had requested, sir
Is it you, Onodzuka?

Also there is a message from the boss
Master Takashi must absolutely attend to next weeks party
YOU'RE SO NOISY
Alright, I'll go this time
Really? Well then...
Ah. Thank you for your trouble
The detailed data was sent via e mail. Have you received it?
Yes I just did

NET RESEARCH
GAAAH!
BANG
Ah! SHIT!
It's alright. Only one person saw that UFO but...
I wouldn't mind some help to know where and how to search
The only thing I've got is Sari saying he heard the voice of his friends
FLOP
SIGH

...if only Kusanagi was here...
SIGH
You called?
EEEEEK
Kusanagi?!

Ah?
STILL CONFUSED
Come. We're meeting him now
Did... did he hear me just now???
NOOOOOOOOO-!!
Look inside
THROW
SLIP..
?
A freelance photographer took it. He couldn't find a publisher to sell it to but I was able to get a hold of it
That... that's the UFO!?

Like I said
The only picture I have is the one I took
But don't you know if anyone else took a picture like this one?
Please tell me!
You think I know?
First of all, you don't have enough money so just do whatever you want
Even people who don't interfere in such trivial matters will be connected to them!
YWH!
It has nothing to do with me so please just go home already
Please I beg of you, Mr. Murakami!

HUH?
If he dies, it'll be YOUR fault!
Wait a minute...
ぬお
Which would be just what you deserve!
You'll be cursed for all eternity!
おお
Fuck you, you son of a bitch!
UTTERLY SERIOUS
YOU HAVE AN URGE TO TAKE UP BOXING YOURSELF TO WIN YOUR MASTER?

かつ
I think he understood he said he'd contact us! We made some progress!
More like you threatened him into it...
TURN

Thank you!

I said a lot of things about you but
When you're not there, I can't do anything properly!
GRAB

What did I say to make you angry?
What the hell are you looking for?
Hey?
The lost memory of all the astronomy club's members
Waiting for a phone call
What are you saying? You saw it despite the fact it was a dream?

He was killed!

Kusanagi... I'm sorry
It looks like I got you involved in some weird business

Please, do not misunderstand
He chose to come with me on his own
Tatsumi... no, Sari did so in person
So...

HEY!

Huh?
Hayate get your scooter out
Does he know about Tatsumi and Sari...?
Shut! He hanged up!
Don't you want to get Sari back?!
Hurry and get it out!

Don't be stupid!
Did you implant something weird in Sarin?!
I didn't think much about this device but it's pretty useful
He has a cell phone that can be used to track down missing persons
I was talking about that kind of device!
Turn right here!
OH, REALLY?

The signal travels [illegible]0 000 kilometres from Earth to a satellite and back. The satellite calculates its location
There's a GPS unit installed in that cell phone
Also, even if it receives other signals from the phone network, the reception system we have here analyses the error margin and corrects it
And like the last one, it can also confirm signals about a metre's long
I don't get it all but it sounds cool!
HA HA
Right now, the company's challenge is to make a large quantity of miniature lightweight versions
I think they'll make it into a monitor

Who cares about its current limits
since we know where Sari is!
Turn left at the next light!
OK!

SCREECH
SLAM
Zooooof

we could save
their lives
You have the body
of a human but
your soul is like theirs
This is an
extremely rare

What a fascinating
existence
What do you say?
It's for their sake
For everyone's
sake..?

Can I really help them...?
If it's true then..
I will..

You guys are really hard to shake
Kouenji! You bastard!
It seems even my memory alterations didn't have any effect on you. What unique metabolisms you have.
So then it's your fault no one remembers anything about that night

What a

you are,
Sari
Kouenji...
who the fuck
are you really?

Have you ever heard of the ETN organization?
E stands for "Extra Terrestrial Research Institute". It's an alien research agency
All the world's information concerning aliens passes through our hands
The basis of our organization is whether we release the information publicly or we "erase" them.
And we make no exceptions.
Kyoseiji, you fucking jerk! Leave him alone! Arghl It hurts!
ETN?

So that's why you followed Sari around?
We rarely get our hands on such a precious research material
Leave him alone!
And don't call him that! He's not a thing!
It seems you're not aware of how much trouble you're in
CHUCKLE

What's this ? Defying me is useless

And how come you can use a gun ?
That's true
We should get out of here
If we waste time here, we might run into some back-up

Because you moved, it caused some unnecessary bleeding. Idiot !
You can do every thing!
But first we have to stop the bleeding
That's right ! Sari !
Sari ?
Go Sari
Live for our sake
with the life we saved with great pain

I'm sorry
I couldn't save you
I'm sorry

We have to run!
Farewell Sarl...

Find happiness
happiness...

As for burnt remains, not a single body was found.
That day, there was nothing on the news at all about the spectacular way the place went up in flames.
Though the wound on my shoulder still continues to hurt...
And we didn't have a single shred of proof of the things we had experienced.
The ETRI organisation may possess a lot of power, but the control that the Kusanagi Group has over news coverage is immense.
Even at the hospital you could feel Kusanagi's presence, and absolutely no sound escaped from there.

*NOTE: ETRI refers to Extraterrestrial Research Institute.

Heeeey Kalya
Your brother's here to see you
Does it hurt Hayate?
Ah I'm fine I'm fine
Ni— Nii-chan

We've returned to our everyday lives as if nothing had happened
So you brought it for me ?
Thanks
You... you forget your lunch so...
There's only one thing that's different
Okay
Tatsumi
Do you wanna eat lunch together ?

That's *Tatsumi*

After the incident, he slept for three days and three nights straight.
When he opened his eyes
Sari had disappeared
And Tatsumi had returned.
However...
Truly this should be something to rejoice over

Looking pretty down, lately
Who?
It's you I'm talking about! You!

Aren't you happy that Tatsumi's back?
What a heartless big brother
BASH
!?
What do you know about it!!

I know
When it comes to you,
I always know
TURN
What's up with him, giving me a line like that so seriously!

It's just that it's so easy to make you go with the flow when you're distracted like this
What ?
KU
KU
Guess it's time for me to make my move
What's with that remark !?
It's alright, isn't it ?

I think you're okay with this
If you weren't
There wouldn't be anything to look forward to from now on
Kusanagi...
Look... look forward to you say...

Gulp
CREAK
I'm going to corner you, nice and slowly
Just you wait
Uwaah
Whoa

You being serious or whatever means nothing to me Idiot!

I really don't get it, but it's fantastic!
YAAA-----Y!
What the hell? I'm going to get pissed
Such a liar~
Oh, really
